Doula & Lactation Specialist

We are delighted to announce that The Woman's Hour of Missouri and Riverbend Women's Health of Kansas have come together to create **The Women's Health Pavilion of Greater Kansas City**. We will continue to offer in and out of hospital births along with additional OB/GYN services greatly expanded by close collaboration. Additionally, we can now access many health insurance plans.

You can continue to make informed **choices** about the tests, procedures and settings you want for yourself. We will make every effort to accommodate your personal perspectives every step of the way.

Together we utilize a wide-range of credentials and clinical experience.
